Kathleen –

Attached are the comments that Water Division sent to the Corps last November regarding the latest revised mitigation proposal from Hudbay. I mentioned to Nicole that Kelly Zito had requested the attached last Friday, and Nicole asked that I forward them to you, as well. ERS was not involved in reviewing or commenting on the revised mitigation proposal.

It's out, signed by AD yesterday. I think Nancy's off today so outreach to you and John was on my to-do today. Material is unchanged from what we transmitted to SPD by email in October, and cover letter is basically one paragraph. See attached.

PS – Let's keep Sam off of RM-related traffic (for FOIA purposes). I'm retaining mgmt. lead for what remains of this project...
